MEMORANDUM

May 15, 1972

TO: Mr. A. J. Stevens  
FROM: Michael I. Gastman  
RE: Morris Fishbein

Ralph Stevenson has returned the file of Dr. Fishbein and has stated from his review that it appears that Dr. Fishbein has been paid \$10,000 a year beginning in 1957 up through and including 1969. In 1970 he was paid only \$833.33. Ralph stated that commencing in 1965 the payment to Dr. Fishbein was changed from a corporate payment to a research payment, originating with Alex Spears. He did not review the files in Lancaster for further corroboration that Dr. Fishbein had been paid from 1957 through and including 1964.

I obtained this information from Ralph late Friday afternoon and was not able to transmit the information to Dave Hardy.
